# La JAV cède face à la folie douce nantaise

Au terme d'un scénario typiquement made in Nantes, les Auvergnats ont vu s'échapper un succès dont les premières pierres avaient pourtant été posées avec solidité.

Cela en deviendrait presque un brin agaçant tant la sensation de gâchis ressort régulièrement de cette Hermine aux deux visages. « Docteur Jekyll et Mister Hyde, n'hésitait pas à résumer le coach nantais, Jean-Marc Cupraz, à chaud. Il a fallu les remettre face à leurs responsabilités et ils les ont prises. » Des masques comedia dell'arte, l'un grimaçant, l'un tout sourire que les hommes de Dupraz ont une fois de plus montré à la troupe de Guillaume Vizade, dont la régularité l'a menée, elle, sur un podium amplement mérité.

Sauf qu'hier, la prime s'est faite à la folie. Celle d'une équipe capable du pire (14-18, 8<sup>e</sup>, 14-28, 10<sup>e</sup>) comme du meilleur (42-62, 23<sup>e</sup>, 63-68, 28<sup>e</sup>), retrouvant sa défense au retour des vestiaires... « Évidemment que c'est frustrant, soupirait Thomas Ville. En

première, on fait clairement le match que l'on voulait et, derrière, on ne se met pas dans les bonnes conditions pour le gagner. » Et pourtant, Boyd

et son équipe marchaient pendant vingt minutes sur les têtes nantaises avant la panne.

Offrant du jeu rapide à leurs hôtes et des contre-

attaques, la JAV n'était alors plus capable de stopper l'hémorragie tandis que la confiance locale, à l'image d'un Ndoye posant de sacrés problèmes. « Il a

été d'ailleurs excellent dans le nettoyage du cercle et nous défaillant sur le repli défensif. On a vu notre jeu collectif se déliter, les tirs forcés se multiplier, avec un manque dans la finition », regrettait Vizade.

## Le jeu collectif de la JAV se délite

La concrétisation d'efforts pour ne pas laisser leurs invités faire la pluie et surtout le beau temps - 15 points sur jeu rapide et 21 rebonds à la mi-temps pour l'équipe auvergnate - afin que le NBH sorte de

cette tempête et ces 57 points encaissés à la pause devenait tornade (77-75, 35<sup>e</sup>). Une mobilisation générale que Bronchard et les siens tentaient au mieux de bousculer, mais Payne dégainait sans frisson, suivi par Smith qui dans l'ultime seconde validait le succès nantais (88-85, 40<sup>e</sup>).

« La piqûre de rappel n'est pas appréciable mais ça va nous mettre du plomb dans la tête et nous rappeler que nous n'avons pas de marge, devant aucune équipe, dans ce championnat. » Autant tirer là de la part de Guillaume Vizade une leçon sensée de ces quarante minutes un peu dingues... ■

# Montluçon dans le viseur des meilleurs

Une semaine carabinée... Voilà ce qui vous attend à partir de lundi et jusqu'au samedi 11 février, au Parc-Expo de Montluçon, arène de la 45<sup>e</sup> édition des championnats de France de tir sportif à 10 et 18 mètres.

Une compétition cogérée par la fédération (FFTir) et le club local, AS La Treignatoise, qui organise à son dixième championnat de France. Un an après celui des écoles de tir.

Au programme de ces six jours, trois armes : pistolet, carabine, arbalète. Et des épreuves propres à chacune : précision, standard et vitesse au pistolet ; précision et cibles mobiles à la carabine ; field et match à l'arbalète. Le tout sur un même format de qualifications puis finales, lesquelles seront disputées dans le hall D du bâtiment, face à la tribune, et diffusées en direct sur YouTube.

## 2.700 compétiteurs

Du côté des participants, pas moins de 2.700 compétiteurs et compétitrices sont attendus, femmes et hommes, en cadets, juniors, seniors (1, 2 ou 3) et para-tir. Avec dans tout ça des noms bien connus et des palmarès longs comme le bras tendu d'un tireur aguerri.

**DUMOULIN.** Déjà venu à Montluçon en 2017, le champion olympique 2000 sera là. PHOTO FLORIAN SALESSE

Chez les femmes, citons Céline Goberville, la vice-championne olympique de 2012 au pistolet à dix mètres. Mais aussi la jeune génération, avec Océanne Muller, championne d'Europe seniors et du monde juniors en 2021 à la carabine à dix mètres. Ou Julia Canestrelli, 17 ans, championne du monde juniors de carabine trois positions à 50 mètres en 2021.

Tandis que chez les messieurs, le champion olympique 2000 de pistolet à dix mètres Franck Dumoulin sera aussi de la partie. De même que Cédric Fèvre-Chevalier, champion paralympique 2012 de tir à la carabine R3 à dix mètres couché. Ou que Nathan Bailly, double champion d'Europe 2022 de tir à la carabine trois positions, en solo et par équipe... Bref,

que des francs-tireurs qui visent l'excellence. ■ Luc Barre
